

CRUISE EXPRESS

Media Release: December 31, 2009

Save More than 70% on Luxury Seabourn Cruises in Asia

Ultra Luxury Cruises with Open Bar Every Day from Only \$280 a Day

Cruise Express is offering unprecedented discounts of more than 70 per cent on ultra-luxury, all-inclusive cruises in Asia aboard Seabourn Pride, allowing more Australians to experience holidays the 'other half' enjoys.

Now based in Asia year-round, the five-star, 208-passenger Seabourn Pride offers pampered passengers voyages of up to two weeks through the region from Hong Kong, Singapore, Beijing and Kobe.

Discounts of more than 70 per cent apply to selected 12 and 14-night sailings between February and May, 2010, with passengers opting for the 12-night cruises also enjoying two free nights pre or post cruise. The 14-night deluxe holidays are now available from US\$3499, or around A\$3923, which equates to just \$280 a day.

Operated by the award-winning Yachts of Seabourn and boasting almost one crew member for every passenger, the spacious, 10,000-ton Seabourn Pride offers passengers a complimentary open bar throughout the ship while ALL guests enjoy suites with ocean views, fine Egyptian cotton linen, feather pillows, Molton Brown bath products, Hermes and L'Occitane soaps, scented baths drawn by room stewards, rose petals sprinkled on beds at night, flat screen TV and DVD player and Bose Wave stereo.

Also complimentary to all passengers are massages on deck, gourmet menus designed by American celebrity chef, Charlie Palmer, water sports from the rear marina, movies under the stars complete with popcorn and Seabourn's popular Caviar in the Surf where uniformed but very wet waiters serve passengers caviar and champagne to passengers in the water from a surfboard bar floating off a tropical beach.

Seabourn Pride offers four restaurants and cafes, four lounges and bars, three whirlpools, a pool and spa sanctuary.

* The new discounts apply to six sailings aboard Seabourn Pride in 2010. Each trip is priced from **US\$3499** which is around 71% off the brochure fare and 59% cheaper than the earlybird discounted fares....*
